Towards 2021

CSLIBS is on the way to her 10th Anniversary

That was on the March of 2011, we had our 1st Chinese Symposium on LIBS (CSLIBS 2011) in Qingdao. Since then, within past 9 years, we had our reunion once a year to share the works and ideas on LIBS and its applications. In this talk, a historical review will be given to remind us of the people and stories worth in memory.
